BOULDERING WAIVER

This climbing event involves Bouldering. Bouldering may be dangerous for you and your Spotter and may result in injuries including but not limited to twists, strains, sprains, and dislocations. The Spotter's job is to redirect the climber's fall to try to help them to land on their feet first and/or to assist in protecting the Boulderer, and may not prevent an injury. Your voluntary participation in this event indicates your acknowledgement that Bouldering and Spotting are dangerous and that the Spotter may not prevent an injury resulting from a fall. I hereby grant Vertical Endeavors, Inc., its subsidiaries, affiliates, licensees, successors and assigns, the right to photograph me and use my name and likeness for any legitimate business purpose, including but not limited to publicity, promotion and advertising whatsoever so long as it does not disparage the reputation and good will of the participant. This grant shall extend to any and all reprints and reissues of any such photographs.
