

# ONGOING YOUTH PROGRAMS

## PARENT HANDBOOK

### CLIMB TEAM CREED

- I will always try my best.
- I will respect my coaches.
- I will listen to my body. Injuries are taken very seriously. Laziness is not an injury.
- I will exhibit exemplary sportsmanlike conduct.
- I will be respectful to and supportive of my teammates on and off the wall.
- I will respect my gear; harnesses, ropes, and belay tools are lifelines, shoes and chalk bags are performance tools.
- I will respect the gym and fellow climbers around me.
- I will be a role model in my community in and out of Team.
- I will have fun!

### YOUTH CLIMBING CLUBS

Our Youth Climbing Clubs offer kids a relaxed, age-appropriate program where they can enjoy the sport and climb with friends. It is more akin to an afterschool activity and is non-competitive in nature. There are **no prerequisites** to join. Clubs meet once per week and are supervised by Vertical Endeavors staff members who also run activities, games, and challenges during Club. The price of Club includes staffing at a **ratio of 1:10** and any necessary rental equipment during the weekly program but does not include a VE Membership.

#### BASE CLUB

- What:** Base Club is for the youngest little climbers (**ages 6-9**) who want to learn the basics in a community setting and have fun! This program is focused on the fundamentals in order to introduce your child to the fast-growing sport of rock climbing. During practices, instructors focus the energy of the group into exciting climbing activities, while building appreciation for teamwork and taking direction.
- When:** 1x weekly for 1.5 hours
- Cost:** \$75/month (billed on the 5<sup>th</sup> of each month)
- How:** Customers can sign up at the facility by filling out a Team Membership Agreement + Photo Release, updating billing information in their Rock Gym Pro Customer Profile, and paying the prorated monthly dues from the time of sign-up to the next monthly billing date.

#### PEAK CLUB

- What:** Peak Club is our option for youth (**ages 10-13**) that wish to partake in recreational climbing alongside their peers, without the emphasis on training and competition that exists on Team. The participants have the option of learning how to belay, should they choose, by taking the Youth Belay Skills lesson. Basic technique and movement concepts will be covered, along with participation in group games and team building activities.
- When:** 1x weekly for 1.5 hours
- Cost:** \$75/month (billed on the 5<sup>th</sup> of each month)
- How:** Customers can sign up at the facility by filling out a Team Membership Agreement + Photo Release, updating billing information in their Rock Gym Pro Customer Profile, and paying the prorated monthly dues from the time of sign-up to the next monthly billing date.

#### VARSITY CLUB

**\*NEW! FALL 2018\***

- What:** Varsity Club is our option for youth (**ages 14-18**) that want to climb alongside their peers, with an emphasis on staying active and being connected to the climbing community without the competition-focus that exists on Team. The participants have the option of learning how to belay, should they choose, by taking the Youth Belay Skills lesson. Basic technique and movement concepts will be covered, along with participation in group games and team building activities.
- When:** 1x weekly for 1.5 hours
- Cost:** \$75/month (billed on the 5<sup>th</sup> of each month) **\*\*Optional Membership Add-on is \$25/month**
- How:** Customers can sign up at the facility by filling out a Team Membership Agreement + Photo Release, updating billing information in their Rock Gym Pro Customer Profile, and paying the prorated monthly dues from the time of sign-up to the next monthly billing date.

## YOUTH COMPETITIVE CLIMBING TEAMS

On our competitive Climb Teams for youth, we challenge and encourage each child to come into their own as an independent, responsible, and respectful climber. Our goal is to create better climbers socially, mentally, and physically. We believe that the most effective way to bring out the best in young athletes is to promote an environment of devoted mentorship as they learn, grow, and excel with other children who are dealing with similar challenges, both on the wall and in their daily lives.

The pricing of Team includes staffing at a **ratio of 1:6 to 1:9 depending on the total Team size**, any necessary rental equipment, a Climb Team shirt, coaching at any competition with at least 6 athletes competing (including local, regional, divisional, & national competitions), and a VE Membership. Membership includes guest passes, discounts on gear purchases in our Pro Shops, and unlimited access to all VE facilities. Team is for athletes **ages 8 and up**.

**See below for prerequisites for each Team.**

### JUNIOR TEAM

**What:** Junior Team is designed to build a solid foundation of rock climbing skills for youth. It is suited for climbers that would like to take their climbing beyond a recreational level, and are interested in competitive climbing, outdoor climbing, and training basics. Coaches help develop top rope belaying skills and focus strongly on movement and technique essentials.

**When:** 1x weekly for 2.5 hours

**Cost:** \$175/month (billed on the 5<sup>th</sup> of each month)- *Price includes VE All Access Membership*

**How:** Athletes who want to join Team should first sign up for a **Skills Assessment**. Following the Skills Assessment, most athletes will be advised to take the **Youth Belay Skills** lesson (*unless they competently demonstrate Top Rope Belay skills to the coaches during their Skills Assessment*). Once these prerequisites are completed and Junior Team placement has been recommended by the Head Coach, customers can sign up at the facility by filling out a Team Membership Agreement + Photo Release, updating billing information in their Rock Gym Pro Customer Profile, and paying the prorated monthly dues from the time of sign-up to the next monthly billing date.

### INTERMEDIATE TEAM

**What:** Intermediate Team is for those athletes who are ready to take their climbing skills to the next level. Two days of practice a week are required, and we encourage a third day of individual climbing outside of practice. Climbers must be ready to spend considerable time sport lead climbing (rather than top roping) and bouldering, along with climbing related core workouts and training exercises. These committed climbers will be expected to compete in USAC-sanctioned competitions, explore climbing outdoors, and look to a future with the Advanced Team.

**When:** 2x weekly for 2.5 hours

**Cost:** \$225/month (billed on the 5<sup>th</sup> of each month) - *Price includes VE All Access Membership*

**How:** Athletes on Jr. Team will go through regular Progress Tracking during practices on a quarterly basis. These Progress Tracking practices along with ongoing Competition performance will be used by coaches to determine which athletes should be invited to twice-annual Tryouts. Tryouts will determine if an athlete moves onto Intermediate Team. If an athlete is chosen to join Intermediate Team, most athletes will be advised to take the **Youth Belay Skills** lesson for Sport Lead (*unless they already are competent with Lead Climbing and Lead Belay and can demonstrate as much to the coaches during their Tryout*). Once this prerequisite is completed, customers can sign up at the facility by filling out a **\*new\*** Team Membership Agreement and update billing information to the Intermediate Team monthly price in their Rock Gym Pro Customer Profile. At their next Team billing, they will be charged the new monthly rate.

### ADVANCED TEAM

**What:** Advanced Team is an important step in our Team tiers, as it prepares athletes for a more rigorous practice format and sets the stage for the heightened physical and mental demands of Elite Team. Practices are three times weekly for 2.5 hours. This Team is for athletes who have their sights set on competing up to the USAC Divisional Championships level and builds a solid foundation for increased intensity in strength and power training, added workload of on-wall workouts, and increased focus on skill and technique acquisition. These athletes have moved beyond the Intermediate level and will start to be groomed for the prestigious tier that is Elite Team by mirroring and getting used to the structure of Elite Team practices and periodization.

**When:** 3x weekly for 2.5 hours

**Cost:** \$275/month (billed on the 5<sup>th</sup> of each month)- *Price includes VE All Access Membership*

**How:** Athletes on Intermediate Team will go through regular Progress Tracking during practices on a quarterly basis. These Progress Tracking practices along with ongoing Competition performance (expectation: Invitation to USAC Divisional Championships) will be used by coaches to determine which athletes should be invited to twice-annual Tryouts. Tryouts will determine if an athlete moves onto Advanced Team, after which customers can sign up at the facility by filling out a **\*new\*** Team Membership Agreement and update billing information to the Advanced Team monthly price in their Rock Gym Pro Customer Profile. At their next Team billing, they will be charged the new monthly rate.

## PREREQUISITES, LESSONS, + INDIVIDUAL COACHING

The following are Ongoing Youth Program components that take place outside of normal weekly Team practices + Club sessions

### SKILLS ASSESSMENT

**What:** The Skills Assessment is a prerequisite for anyone who wants to enter the Team Program. This will inform coaches of current skill levels and preexisting knowledge base so that they can recommend the appropriate Team or Club to enroll in and the possible need to take the Youth Belay Skills Lesson. Youth climbers who already know that they'd like to sign up for one of the age-based non-competitive Clubs do **not** need to take a Skills Assessment.

**When:** Scheduled during the 2<sup>nd</sup> Week of every even-numbered month (February, April, June...)\*

*\*If Teams are all currently full and unable to accept additional participants, Skills Assessments may not be scheduled. If Teams are below optimum numbers for enrollment, additional Skills Assessments may be added. Schedules are available online.*

**Cost:** \$20

**How:** Customers can sign up at the facility with staff or online via our website

### YOUTH BELAY SKILLS – TOP ROPE

**What:** The Youth Belay Skills Lesson on Top Rope Belaying is a prerequisite for all Teams and an **optional** supplement for Club participants who wish to Top Rope Belay. While belay skills are honed and perfected during practices, the hard skills, safety double checks, and commands are learned outside of normal practice times so as to not detract from the ongoing group practice sessions. After this lesson, youth will be able to test out during regular practices and possibly get their **Red** Youth Belay Tag so they can also belay with a back-up belayer even outside of practice times.

**When:** Scheduled on the 3<sup>rd</sup> + 4<sup>th</sup> Saturday of every even-numbered month as a 2-hour lesson

**Cost:** \$25

**How:** Customers can sign up at the facility with staff or online via our website

### YOUTH BELAY SKILLS – SPORT LEAD

**What:** The Youth Belay Skills Lesson on Sport Lead Climbing + Belaying is a prerequisite for Intermediate Team and Advanced Team participants. While lead climbing, clipping, falling, and belay skills are honed and perfected during Intermediate and Advanced Team practices, the skills are learned outside of normal practice times so as to not detract from the ongoing group practice sessions. After this lesson, youth will be able to test out during regular practices and possibly get their **Red** Youth Belay Tag updated and checked off for "Lead" so they can also lead belay with a back-up belayer even outside of practice times.

**When:** Scheduled on the 3<sup>rd</sup> + 4<sup>th</sup> Saturday of every even-numbered month as a 2-hour lesson

**Cost:** \$25

**How:** Customers can sign up at the facility with staff or online via our website

## PRIVATE COACHING LESSONS

**What:** For youth who want more one-on-one coaching to develop belay skills, conquer fears, break through on climbing ability level, hone technique, or get extra strength or power training focus, Vertical Endeavors offers Individual Coaching Lessons. Team participants can schedule these with the coach of their choice and at the time that works best for their schedule and are given member pricing on these private or semi-private lessons. Lessons are priced on a per-hour basis for 1-2 customers. Additional participants, beyond two (2), can be added at half the hourly rate per person up to a total of 6 participants.

**When:** Scheduled on a case-by-case basis between the coach and the participant

**Cost:** Level 3 Instructor: \$90/hour

Level 2 Instructor: \$70/hour

Level 1 Instructor: \$50/hour

**How:** Customers must sign up at the facility with their chosen coach or their facility's Team Head Coach to ensure proper scheduling. All Vertical Endeavors Instructors are Certified by the Climbing Wall Association through their CWI Course. Levels are assigned based on climbing and instructional experience by facility management and the facility's Team Head Coach.

## INTERNAL TEAM TRANSITION PROCEDURES

The following are Climb Team components that facilitate each participant's mobility through the program from Junior Team through Elite Team.

### PROGRESS TRACKING

Progress Tracking happens inside of all Team Practices at all levels of Climb Team quarterly, or four (4) times per year. Progress Tracking has two parts: physical measurables (how many pull ups, etc.) and comprehension of technical skill, movement, and body awareness (subjective and based on coach observations.) These are kept on an ongoing basis so that athletes and coaches can look back and see improvement and areas of persistent difficulty. The Progress Tracking Rubric also gives a more concrete measure/score so coaches, athletes and parents can know where and what improvement is needed in order to be invited to Tryouts for the next level of Team.

### TRYOUTS

Based on quarterly individual athlete progress tracking, invitations to attend a Tryout will be sent twice a year at the start of the USA Climbing competition seasons (one in March and one in September) to potentially be placed on a different team. Taken into account along with scores on the Progress Rubric at the tryout will be other benchmark accomplishments like recent competition results.

### ROSTER REVIEW

As one USA Climbing season ends and another begins in February and August, the lead coaches on Advanced and Intermediate Teams will do a roster review to determine if any of their athletes would be better served and a better fit for a different Team. Sometimes athletes who are moved onto Intermediate, Advanced, or Elite don't thrive as expected or enjoy their climbing experience as much once they join. **Ongoing communication with the athletes and their parents along with progress tracking and the climber's competition performance will help these conversations go more smoothly.**

### CANCELING OR FREEZING YOUR TEAM ENROLLMENT

Athletes and their families are free to **Cancel** their Team Enrollment via the Online Member Change Request Form available on the Vertical Endeavors website. [www.verticalendeavors.com](http://www.verticalendeavors.com) All cancelations are due by the 1<sup>st</sup> of the month with **1 Month Advance Notice**. Athletes who wish to rejoin Team simply need to sign up for a Skills Assessment to get re-placed on the appropriate Team upon their return.

**Freezes** are available on a case-by-case basis (cleared by your facility's Head Coach) for injury and illness-related reasons at the Membership Freeze Rate of \$10/month. Injured athletes will need to provide a physician's note clearing them for rejoining practice along with any restrictions. The maximum freeze amount is **3 months**. After 3 months, athletes will have their membership reactivated unless they cancel via that Online Member Change Request Form available on the VE website.

## TEAM POLICIES

### FACILITY RULES

- Team participants and coaches must follow all Facility Rules while on Team
- All Team Participants AND any parent/guardian/sibling spectators must check-in at the front desk when visiting the facility.
  - Parents/Guardians and immediate family members can climb during Team Practices and receive a Free Harness Rental and a Half Price Day Pass.
- Coaches must accompany Team participants in any areas of the facility that are typically age-restricted.

### YOUTH BELAYING

Applies for any Team member under the age required to belay as stated in facility rules

- Must be approved and checked off in RGP by Head Coach
- Red Belay Tags
  - “Red Tags” are given out to Teamers who have been checked-off to belay on Team so that they may belay outside of Team with other “Red Tag” holding Team members. **They must always use a backup belayer.**
- Qualification Requirements
  - May not belay for adults
  - Top Rope (if younger than 14)
    - Any youth who wishes to belay outside of Team must be backed up and may only belay another Team member of appropriate size, who also holds a “red card” qualification.
  - Sport Lead (if younger than 16)
    - Any youth who has already been checked off to lead belay may do so if the climber is similar in size to the belayer and there is a back-up belayer present outside of practices.
    - If a youth climber on Team wishes to lead climb outside of Team they must be belayed by either another Team member, also checked off to lead belay, or a parent who has been checked off to lead belay youth.
- Back-up Belay Expectations
  - For any youth to belay outside of Team they will need a third participant to back-up belay.
  - Back-up belayers must have their belay qualifications or be a Team member with a Red Tag.
- Intentional Falling
  - For any youth climber to take an intentional lead fall, a coach must back-up belay during the intended fall.

### TRANSPORTATION, CHECK-IN, + PICK-UP

- Coaches may not drive or transport Team participants to any Team-related functions or activities.
- Drop off/pick up
  - Parent/guardian should notify Coach if there are any restrictions on who may pick up their child.
  - Coaches will remain with Team and Club participants until they have been picked up from practice, or communicate with front desk staff if there is a longer delay and an anticipated pick-up on the way.
- All Athletes must be checked in to Rock Gym Pro for every practice and event they attend.
- All parents/family members entering the facility during practice must have a waiver on file and be checked into Rock Gym Pro as a spectator. Parents + family members who wish to climb during practice get half price entry & a free rental harness.

### INJURY RESPONSE

- All employees working with any VE Youth Programs have completed Concussion Training and AED Training
- All employees are encouraged to complete First Aid & CPR Training. Managers & Head Coaches are required to complete both.
- The Manager on Duty takes lead in the case of an incident. Parents must be contacted as soon as is reasonably possible. Best discretion will be used in calling EMS even if a parent cannot be reached. VE staff will defer to EMS decisions if called.

### MANDATORY REPORTING

- Coaches in Illinois are legally considered Mandated Reporters and must review the state’s mandatory reporting guidelines.
- Coaches in Minnesota, while not under legal obligation, are encouraged to report confirmed or suspected cases of the abuse or neglect of a minor to proper authorities.
- Anyone registered as a coaching member of USA Climbing is a mandated reporter under their USAC Coaches Agreement (even when not necessarily mandated under state law) and must go through Safe Sport Training.

### PHOTOGRAPHY, MARKETING, + SOCIAL MEDIA

- All Club & Team participants must have a Digital Document Photo Release on file and attached to their Rock Gym Pro profile. No photo can be taken for Marketing or other purposes without a Photo Release on file.
- All coaches on all Teams should send photos regularly (goal: weekly) to [marketing@verticalendeavors.com](mailto:marketing@verticalendeavors.com)

### EVENTS + COMPETITIONS

#### USA Climbing Championship Competitions

Vertical Endeavors will send coaches to any USA Climbing-Sanctioned Championship Competition that Team athletes are participating in at a ratio of 1:8. A minimum of 2 coaches will be sent in order to have one coach on the floor watching climbers and available to make any appeals and the other coach in Isolation with the waiting athletes.

#### Local Competitions

Vertical Endeavors will send coaches to any local competition Team athletes are participating in at a ratio of 1:10 for non-VE events and 1:6 for VE-hosted events. Coaches are expected to be active staff participants and be available to help athletes and their families during the event.

#### Team Lock-in

Lock-in overnight events may be planned a few times annually. They are available to Intermediate and Advanced Team participants and should be staffed at a ratio of 1:12.

Lock-in's are a supplemental activity and have an additional cost associated with them (Typically \$40-\$60 for the event).

PROGRESS TRACKING RUBRIC STANDARDS

These are the standards and guidelines that each athlete is measured by on each given team.
